<b>Topic</b>	<b>Mitsui Sustainability, Social Participation</b>
<b>Article date</b>	<b>October 30<sup>th</sup>, 2023</b>

Two outstanding individuals, recipients of the Mitsui Bussan Scholarship (MBS) program for Indonesia, began their educational journey in Japan on October 4<sup>th</sup>, 2023. From a pool of 3,355 applicants, these two scholars (one male student and one female student) emerged as shining examples of academic excellence and determination. Throughout their academic journey, Mitsui remains steadfast in providing financial support through the scholarship program, spanning a total of 5.5 years.

Since its launch in 1992, the Mitsui Bussan Scholarship program for Indonesia has welcomed 52 grantees and maintained relationships with the alumni. This scholarship initiative aims to develop human resources who will contribute to development in Indonesia, while reinforcing friendship between Japan and Indonesia. Our management team fully committed to the program’s continuation and expansion.
