Notice to Shareholders Concerning Measures to Prevent the Spread of COVID-19 at the 101st Ordinary General Meeting of Shareholders (Re-posted on June 17, 2020)

Thank you for your continuing support of Mitsui & Co. As we informed in the announcement dated May 22, we will be taking the following measures to prevent the spread of COVID-19 and protect the safety of shareholders at the 101st Ordinary General Meeting of Shareholders. The purpose of this message is to provide further information about these measures.

As the COVID-19 pandemic has still not been brought under control, you are kindly requested to refrain from attending the Ordinary General Meeting, regardless of your state of health.

In addition, the number of seats available will be substantially fewer than usual. Accordingly, please be aware that, if it is not possible to maintain a safe distance between people at the venue, we will be forced to refuse admission. We have uploaded, to our website (https://www.mitsui.com/jp/ja/ir/information/general/index.html), VTRs (in Japanese) on the Business Report, and Report on Consolidated and non-Consolidated Financial Statements, for the 101st Fiscal Year and explanations by the President on the issues that Mitsui & Co. group is facing, and the company’s business strategies (the new Medium-term Management Plan), both of which are usually conducted at the venue of the Ordinary General Meeting of Shareholders, so that shareholders not actually coming to the venue can see those VTRs.

The kind understanding and cooperation of shareholders would be greatly appreciated.
