# Our Reporting Approach

Mitsui's Mission is to "Build brighter futures, everywhere." We continue to grow by providing cross-industry *real solutions* to a variety of social issues through our business activities. To help stakeholders deepen their understanding of the Mitsui & Co. Group's initiatives and work together to resolve social issues, we are striving to enhance our information disclosure through various disclosure materials including integrated reports, securities reports, sustainability reports, and human capital reports, as well as investor information such as financial results and business briefings. In addition, Mitsui has established a Corporate Disclosure Policy,\* primarily from the perspective of fair disclosure. The Disclosure Committee, which has been established as a sub-committee to the Executive Committee, is responsible for formulating principles and basic policies, and establishing internal systems for material voluntary disclosure, as well as for determining and making decisions regarding the importance of information and the appropriateness of content in statutory disclosure, timely disclosure, and material voluntary disclosure.
