<Before Corrections>

snip

- (12) We may not be able to successfully restructure or eliminate unprofitable or underperforming subsidiaries or associated companies in a timely manner.

As of March 31, 2014, we had 272 consolidated subsidiaries and 154 equity accounted investees. We have been continuously restructuring underperforming businesses of our consolidated subsidiaries and associated companies using a process we have introduced to assess their profitability. If we fail to successfully restructure or eliminate our underperforming subsidiaries and associated companies in a timely manner, or if these efforts fail to improve our business operations as contemplated, our business operations may become less efficient and our operating results and financial condition may be adversely affected.
