Mitsui invests in North America-based Penske Truck Leasing Co., L.P.

March 19, 2015
Mitsui & Co., Ltd.

A Cautionary Note on Forward-Looking Statements:
This material contains statements (including figures) regarding Mitsui & Co., Ltd. ("Mitsui")’s corporate strategies, objectives, and views of future developments that are forward-looking in nature and are not simply repetitions of historical facts. These statements are presented to inform stakeholders of the views of Mitsu’s management but should not be relied on solely in making investment and other decisions. You should be aware that a number of important risk factors could lead to outcomes that differ materially from those presented in such forward-looking statements. These include, but are not limited to, (i) change in economic conditions that may lead to unforeseen developments in markets for products handled by Mitsu, (ii) fluctuations in currency exchange rates that may cause unexpected deterioration in the value of transactions, (iii) adverse political developments that may create unavoidable delays or postponement of transactions and projects, (iv) changes in laws, regulations, or policies in any of the countries where Mitsu conducts its operations that may affect Mitsu’s ability to fulfill its commitments, and (v) significant changes in the competitive environment. In the course of its operations, Mitsu adopts measures to control these and other types of risks, but this does not constitute a guarantee that such measures will be effective.

2. Participation in North America-based Truck Lease, Rental & Logistics Business

3. Mitsui’s Business Strategy
1. Introduction of Penske Business and the History of Penske & Mitsui Partnership
Introduction of Penske Business

- Penske Corporation ("Penske") is a closely held, diversified transportation services company whose subsidiaries operate in a variety of industry segments, including retail automotive, retail commercial truck dealerships, commercial trucks and parts distribution, truck leasing, transportation logistics, transportation component manufacturing and professional motorsports.

- $23 Billion in revenue; 47,000 employees

- Penske Automotive Group (NYSE: "PAG") is the second largest retail automotive group with operations based in the United States.

- Penske Truck Leasing Co. L.P. ("PTL") is a full service leasing, truck rental and logistics business.
History of Penske & Mitsui Partnership

● In 2001, Mitsui made its initial investment in PAG (currently owns 17.24%). Mitsui, as the second largest shareholder, has contributed to PAG’s growth together with Penske, the parent company of PAG.

● Since 2001, Penske and Mitsui have jointly pursued growth opportunities on a global basis.

● Mitsui’s investment in PTL, will enable it to participate in a leading full service leasing, truck rental and logistics business.

● Going forward, Penske and Mitsui will seek additional opportunities in the commercial vehicle and retail automotive markets on a global scale.
2. Participation in North America-based Truck Lease, Rental & Logistics Business
New Growth Opportunity

- With highly-developed features and price increase of equipment, users preference is changing, Mitsui to catch up such trend, “own to lease and lease to rental”.
- U.S. Market is expected to have sustainable population growth and incremental cargo transportation needs. Mitsui to take up this opportunity and work on optimization of customer needs.
- In addition to seeking growth by leveraging accumulated knowledge and broad customer base, Mitsui to enhance its advantage by utilizing ICT for fleet management, matching equipment with cargo and supporting procurements of equipment, etc.

Diversification of customer needs
Rooted in Growing markets
Development of accumulated knowledge

New Growth Opportunity
Mitsui to become a strategic partner in PTL

Acquiring a 20.0% limited partnership interest in PTL from General Electric Capital Corporation (“GECC”) at an amount of approximately USD 750 million (JPY 91.0 billion)
