Reasons for Appointment / Candidates for Directors (Reelected)

Candidates for Directors (Reelected)

Candidates	Reasons for Appointment
Masami Iijima	Mr. Iijima served as COO of Mineral & Metal Resources Business Unit, etc. and then spent six (6) years from April 2009 to March 2015 as President of the Company. During this time, he showed outstanding managerial skills and made a significant contribution to the Company's growth. Since his appointment as Chairman of the Board of Directors in April 2015, he has focused his efforts on external activities and on supervision of management, and has contributed to the operation of a highly effective Board of Directors. We have selected Mr. Iijima as a candidate for another term as Director so that he may utilize his wide-ranging management experience and deep knowledge of corporate governance to strengthen the Company's governance. Mr. Iijima's role as Chairman of the Board of Directors of the Company chiefly involves carrying out supervision of management. He does not concurrently serve as an executive officer and he is not involved in the execution of day-to-day business operations.
Tatsuo Yasunaga	Mr. Yasunaga has superior expertise and an excellent track record in the Machinery & Infrastructure area and also possesses a character suitable for a management executive of the Company. Mr. Yasunaga was appointed CEO in April 2015 to exercise his excellent managerial skills accumulated through his experience in roles including secondment to the World Bank, etc., General Manager of Corporate Planning & Strategy Division, and COO of Integrated Transportation Systems Business Unit. In June of the same year, he was appointed Director of the Company, and since then he has adequately fulfilled his roles in both decision-making and supervision of business execution as CEO and Director. We consider it optimal for Mr. Yasunaga to continue to demonstrate solid leadership for the implementation of Medium-term Management Plan 2023 as the Representative Director and CEO. We have therefore selected him as a candidate for another term as Director.
Yukio Takebe	Mr. Takebe has superior expertise and an excellent track record in the Mineral & Metal Resources area and Energy area and also possesses a character suitable for being a part of the Company's management. Mr. Takebe was appointed Director in June 2018 to exercise his accumulated excellent managerial skills through his experience in roles including COO of Mineral & Metal Resources Business Unit, President & Chief Executive Officer of P.T. Mitsui Indonesia, and Chairman & CEO of Mitsui & Co. (Australia) Ltd. Currently, Mr. Takebe is supervising Iron & Steel Products Business Unit, Mineral & Metal Resources Business Unit, Energy Business Unit I and Energy Business Unit II, and showing outstanding managerial skills based on his advanced expertise in the Company's businesses. We have selected Mr. Takebe as a candidate for another term as Director so that he may utilize this experience and expertise in decision-making and supervision of business execution by the Board of Directors.
Takakazu Uchida	Mr. Uchida has superior specialist knowledge and an excellent track record in accounting and finance-related operations and also possesses a character suitable for being a part of the Company's management. Mr. Uchida was appointed Director in June 2018 to exercise his accumulated excellent managerial skills through his experience in roles including General Manager of Market Risk Management Division, General Manager of Finance Division. Currently, Mr. Uchida is supervising finance related Corporate Staff Unit as CFO, and showing outstanding managerial skills based on his advanced expertise in the Company's businesses. We have selected Mr. Uchida as a candidate for another term as Director so that he may utilize this experience and expertise in decision-making and supervision of business execution by the Board of Directors.
Kenichi Hori	Mr. Hori has superior expertise and an excellent track record in the Chemicals and Innovation & Corporate Development areas and also possesses a character suitable for being a part of the Company's management. Mr. Hori was appointed Director in June 2018 to exercise his accumulated excellent managerial skills through his experience in roles including General Manager of Investor Relations Division, General Manager of Corporate Planning & Strategy Division, and COO of Nutrition & Agriculture Business Unit. Currently, Mr. Hori is supervising Basic Materials Business Unit, Performance Materials Business Unit, Nutrition & Agriculture Business Unit, Food Business Unit and Retail Business Unit, and showing outstanding managerial skills based on his advanced expertise in the Company's businesses. We have selected Mr. Hori as a candidate for another term as Director so that he may utilize this experience and expertise in decision-making and supervision of business execution by the Board of Directors.
Hirotatsu Fujiwara	Mr. Fujiwara has superior expertise and an excellent track record in the Energy area and also possesses a character suitable for being a part of the Company's management. Mr. Fujiwara was appointed Director in June 2019 to exercise his accumulated excellent managerial skills through his experience in roles including General Manager of Planning and Administrative Division (Energy) and Energy Business Unit II. Currently, Mr. Fujiwara is supervising human resources & general affairs, legal, and logistics, etc. related Corporate Staff Unit, and showing outstanding managerial skills based on his advanced expertise in the Company's businesses. We have selected Mr. Fujiwara as a candidate for another term as Director so that he may utilize this experience and expertise in decision-making and supervision of business execution by the Board of Directors.
Yoshio Kometani	Mr. Kometani has superior expertise and an excellent track record in the Machinery & Infrastructure area and also possesses a character suitable for being a part of the Company's management. Mr. Kometani was appointed Director in June 2019 to exercise his accumulated excellent managerial skills through his experience in roles including General Manager of Planning & Administrative Division (Infrastructure Projects Business Unit), Deputy COO of Asia Pacific Business Unit and COO of Infrastructure Projects Business Unit. Currently, Mr. Kometani is supervising Infrastructure Projects Business Unit, Mobility Business Unit I and Mobility Business Unit II, etc., and showing outstanding managerial skills based on his advanced expertise in the Company's businesses. We have selected Mr. Kometani as a candidate for another term as Director so that he may utilize this experience and expertise in decision-making and supervision of business execution by the Board of Directors.
Izumi Kobayashi	Ms. Kobayashi has deep insight in organizational management and risk management for generating innovation, which she has accumulated through her experience working as the representative of private sector financial institutions and a multilateral development bank. She speaks out actively from diverse perspectives at the Board of Directors meetings, making a significant contribution to deepening the discussion. In the year ended March 31, 2020, she served as a member of the Remuneration Committee, and contributed to the discussions related to the design of a remuneration system for Officers and evaluation of Officers. In addition, as chair of the Nomination Committee, she exercised strong leadership in enhancing the transparency of the procedures for the appointment of executives, including the CEO. In view of these points we have selected Ms. Kobayashi as a candidate for another term as External Director so that she may continue to advise and supervise the Company's management.
Jenifer Rogers	Ms. Rogers has a global perspective and deep insight in risk management cultivated through her experience working for international financial institutions and her experience in legal work as an in-house counsel. She makes many useful comments concerning risk control at the Board of Directors meetings, making a significant contribution to enhancing the supervision function of the Board of Directors. In the year ended March 31, 2020, she served as a member of the Governance Committee, actively provided her opinions with the aim of creating a highly transparent governance system. In view of these points we have selected Ms. Rogers as a candidate for another term as External Director so that she may continue to advise and supervise the Company's management.
Samuel Walsh	Mr. Walsh has global expertise and excellent management skills cultivated through his long years working in upper management within the automobile industry and as chief executive officer of an international natural resources company. At the Board of Directors meetings, he makes many proposals and suggestions from a broad-minded standpoint based on his abundant business management experience, and makes significant contributions to active discussions at the meetings of the Board of Directors, and to improving the effectiveness of said meetings. In the year ended March 31, 2020, he served as a member of the Governance Committee, actively provided his opinions with the aim of creating a highly transparent governance system. He has diverse perspectives based on global corporate management experience and expertise and knowledge related to capital policy and business investment. We have selected Mr. Walsh as a candidate for another term as External Director so that he may continue to advise and supervise the Company's management.
Takeshi Uchiyamada	Mr. Uchiyamada has long been involved in research on environmental and safety technologies at Toyota Motor Corporation that could realize a smart mobility society called for by today's society, as well as in the development of products demanded by consumers, and has been exercising his excellent managerial skills as an executive officer of Toyota Motor Corporation. At the Board of Directors meetings, he makes many proposals and suggestions from a broad-minded standpoint based on his management experience at a global company and his in-depth knowledge of society in general, and makes significant contributions to active discussions at the meetings of the Board of Directors, and to improving the effectiveness of said meetings. In the year ended March 31, 2020, he served as a member of the Nomination Committee, and contributed to the discussions with the aim of enhancing the transparency of the procedures for the appointment of executives, including the CEO. In view of these points we have selected Mr. Uchiyamada as a candidate for another term as External Director so that he may continue to advise and supervise the Company's management.
